HOW TO PREVENT PNEUMONIA.

At this time of the year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction—Olagah, Ind. Ter. Chief.

This is the only remedy that is known to be a certain preventive of pneumonia. Among the many thousands who have used it for colds and la grippe, we have never yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. For sale by all druggists and dealers, Benson, Smith and Co., agents for Hawaiian Islands.

TOOK HUMAN LIFE.

First in the group is Sagata Tsunikiichi, Japanese. He killed his wife and young child with a knife on Maui and is to be hanged March 25, 1898, in Honolulu. In the middle is Kamalo, a native, on trial at Lahaina, charged with killing a Chinese woman at Wailuku with a club and stones. He was seen approaching and leaving the house near which the crime was committed. On the right is Yosana, Japanese, to be hanged March 25, next in Honolulu. He stabbed to death the wife of a countryman at Lahaina.

WHARF AND WAVE.

DIAMOND HEAD SIGNAL STATION, December 12, 10 p. m.—The weather is cloudy; wind, light, north.

The Bryant will sail Tuesday for San Francisco.

The Transit and Alice Cooke will be the next vessels to load sugar.

Heavy wind and rough sea with frequent showers are reported by all incoming steamers.

The steamer Kauai was at Waimea discharging coal Saturday when the James Makee left.

The Makee reports sugar in the warehouses at the following places—Kilauea, 900 bags; Waimea, 300 bags; Lihue, 2,500 bags; Kealia, 1,520 bags; and at Hanalei, 8,000 bags of paddy on beach.

The Kinai will follow the Kaala on the dry dock and the Helene will make the Claudine's run on the Maui route. The Claudine will take the Kinai's place and will leave for Hilo Tuesday morning.

The Waialeale which arrived yesterday reports Kahuku cleaned out of sugar. Some paddy which goes to the Lagoon is in the small warehouse and the Honolulu paddy will not be shipped till the middle of the week.

The W. G. Hall and James Makee got in early yesterday morning with a combined cargo of 9,100 sacks of sugar for the Bryant and the Archer. What sugar is left over after completing the cargo of the Bryant will go into the Iredale for ballast to allow her to discharge the rest of her cargo.

The Department of State received from the British Government through their Embassy at Washington, D. C., November 19, medals for the mate, cook and two seamen of schooner Geo. S. Boutwell, of Gloucester, in recognition of services rendered to the shipwrecked crew of British steamer Warwick, which went ashore near Grand Manan about a year ago.

Papyrus And Scripture.

One of the most interesting addresses heard in the Central Union Church for a long time was delivered by the Rev. D. P. Birnie, last evening to a large congregation. He made a comparison of some papyrus records recently found by the Egyptian Exploration Society and the Bible as it is read today. Rev. Mr. Birnie had been over the ground of which he spoke but a few years ago, and this fact increased the value of his remarks. He explained the test to which a bit of papyrus was put before being accepted, which must be severe on account of the great number of forgeries. There was special music, including a violin solo by Prof. J. W. Yandley.

Baking powder at 25 cents or 30 cents a pound never ought to have been sold, because good baking powder is cheaper—does more for the money.

But now as the good times are coming back—as the newspapers say—the excuse for cheap baking powders is even less than ever.

Your money back if you don't like Schilling's Best—at your grocer's.
